ANGELSTONE TOURNAMENTS

Address: 8720 Wellington Road 50, Erin, Ontario N0B 2K0 CANADA

The Angelstone Tournaments venue is located in the tranquil town of Erin, Ontario, located less than a half hour's drive northwest of Toronto's Pearson Airport in the countryside of the Headwaters.

Since the venue's founding in 2011, Angelstone's sprawling 70 acre venue has grown to showcase 5 competition rings, including the Angelstone Stadium, a tournament ring unrivalled in Canada and modelled after one of the world's greatest show jumping venues in Lexington, Kentucky - host of the 2010 World Equestrian Games.

Spectators and sponsors will appreciate the attention to detail prevalent throughout the venue's hospitality zones, including contemporary furnishings, and a view of the action that is second to none.

A night at Angelstone places our visitors closer to the action, where you will hear the horses and riders interacting with each other over the stillness of the night, followed by the eruption of the crowds after each stellar performance.

This is simply the best venue to take in the exhilarating sport while being surrounded by an elite level of personal service and amenities.

CALEDON EQUESTRIAN PARK

Address: 200 Pine Ave, Caledon, Ontario L7E 0M1 CANADA

The equestrian jewel of eastern Canada is located in Palgrave. It humbly began as a temporary facility for 1 or 2 horse shows a year when the original Bolton District Horse Shows Association outgrew the facilities at the Bolton Fairgrounds in 1973.

Caledon Equestrian Park is now home annually to dozens of the most prestigious equestrian events in Canada. It offers temporary accommodations for nearly 1000 horses and has 5 international competition rings. The park also provides first-class facilities for the many competitors from all over the world as well as those living within Canada's largest horse community (the Caledon/King corridor). Now the Caledon Equestrian Park is world-famous for what originally made it so appealing, the natural footing and beauty.

In 2009 the Caledon Equestrian Park was selected as the equestrian venue by the 2015 Pan American Games/Para Pan American Games Bid Corporation. The venue now serves the community and the sport and will continue for many years to come. Horse lovers from around the world visit the region and enjoy the many wonderful activities the area has to offer. As originally hoped the Caledon Equestrian Park is now a major "Destination" in the Hills of Headwaters.

- 4 outside all-weather rings and warm-up areas
- 2 natural sand rings and warm-up areas
- Largest indoor competition ring and warm-up ring in Ontario
- 1,000 stalls

THE FEI CODE OF CONDUCT

FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farrier and tack, and transportation.
2. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. **The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.**
